

## **Tyro Action Pistol**

This is a prerequisite for any NRA action-pistol match.

Session begins with training in the safe use of holsters.

Match: 9mm or larger (Since 2015: 5 shot snub-nosed revolvers allowed with reduced shooting times where fewer rounds fired and resulting scores multiplied by a correction factor) with 10 yds 24 rounds total (21 rounds total for 5 shot snub-nosed revolvers)

Three D-1 targets: double-tap each, draw from holster.

- Stage 1: On command, draw and fire 2 rounds, center target (5 sec) On command for each, repeat left and right targets (5 sec each).
- Stage 2: On command, draw and fire 2 rounds at each target (8sec total); for 5 shot snub-nosed revolvers 7.5 seconds allowed for 5 shots with score on Stage 2 multiplied by 1.2.
- Stage 3: On command, draw and fire 2 rounds at each target, reload and fire 2 more at each target (20 sec total); for 5 shot snub-nosed revolvers 19 seconds allowed for 10 shots with score multiplied by 1.2.
