11 Apr 2026 MCWCC 5-Stand Clay Shoot

\$5.00 for MCWCC members (covers cost of clays)  
\$20.00 for non-members

Course of Fire:

We will rotate through 5 shooting positions, shooting 5 clays each for a possible 25 points.  
Each shooter will get the same clay house order from each station.

Each station will engage clays in the following order:

1 - Single - (You yell "Pull" we launch one clay, you engage)

Reload 2 shells

2 - Report Pair - (You yell "Pull" we launch one clay and once you fire, we launch second clay)

Reload 2 shells

2- True double - (meaning both clays will be airborne at same time)

Show clear, rack your shotgun.

We will require eye and ear protection, 7.5, 8 or 9 shot only.

Each shooter will only be allowed to load 2 shotgun shells at a time.

Should be fun, let's scare some clays.
