STAGE V: 25 yards

1. Time: 10 seconds for each of two strings.
2. Rounds: 6 each string – for a total of 12.
3. Competitor stands concealed behind a barricade and upon signal to fire, draws and fires 2 rounds at each of three targets from right side of barricade. Competitor then reloads and upon second signal to fire, repeats procedure, except that firing is done from left side of barricade.

Barricade will be 6 feet high, 2 feet wide and have a firing area two feet wide and three feet long. The 2x3 firing area will be marked and the competitor may not support any weight outside the area, except that, this being a standard match from another source, the rules allow the competitor to use the barricade as a support.

Penalties: A penalty of 10 points will be charged for a premature start, for each procedural error, for each round fired over the designated number, and for each round fired overtime.
