MEMBERSHIP RENEWALS FOR 2025

Starting Monday, **January 6th**, our website portal will be OPEN for both new applications and renewing members. The 2025 renewal process is fully electronic; no paper applications will be accepted. A computer is available in the Clubhouse for any member wishing to complete their renewal process at the club.

Everyone, whether a new applicant or current member, including Life Members, must complete **Steps 1 through 4** of the **Application Process** outlined on the Membership page of our website. (**Exception:** *Current Life Members are not required to complete Step 4. If you are interested in becoming a Life Member, and are currently a Club Member in good standing for at least 12 months, please email Membership@MCWCC.org for more information*).

Reminder: All membership is based on a calendar year cycle. You must take action to renew your membership should you wish to continue to have independent access to our Club's property. Renewing members benefit from a reduced annual fee so long as dues are paid by the end of February. MCWCC utilizes STRIPE to give its members a secure, simple and quick way to make this payment. Please refer to Step 4 of the Application Process for additional details.

WHAT IS DIFFERENT FROM LAST YEAR

All current members (defined as having a valid Gate Card ID) are NOT REQUIRED TO ATTEND AN IN-PERSON SAFETY BRIEFING as part of the 2025 renewal cycle. (*If you were previously a Club Member but your Gate Card has been deactivated, you must complete Step 5 of the Application Process*).

Each individual having a Gate Card ID (whether a primary member or family member) **must complete both Steps 2 and 3**; after passing the On-Line Safety Exam, all Gate Card ID holders must complete the "Gate Card & Waiver Application".

Have questions or need help? Email Membership@MCWCC.org or approach any member of the Board during our monthly Club Meetings.
